

Berkeley Student Farms & UC Berkeley Food Pantry

FOOD SAFETY GUIDELINES

- 01** Follow all personal safety guidelines. All personnel handling food donations must wear gloves, and a mask. Please avoid touching your face/ personal items (like a phone) while working. If so, wash your hands or change your gloves.
- 02** Sanitize harvesting trays and tools before & after use. Wash first with a soap & water solution and then with bleach. Rinse thoroughly. Wear clean gloves during the process.
- 03** Thoroughly wash all produce with food-safe soap.
- 04** Box or bag produce.
- 05** If not going to the food pantry immediately, store in the Oxford Tract refrigerator to keep from spoiling.
