Item 1. Alameda County Great Plates Delivered Satisfaction Survey Results

Great Plates Delivered Satisfaction Survey Results

SSA sent email invitations to take an online survey to all participants with an email address on-file between September 14 and September 18, 2020, for a total of 327 invitations. When participants indicated a preferred language of Chinese, Spanish, Vietnamese, or Tagalog, SSA sent the invitation email and survey in the appropriate language. [All others were sent the invitation and survey in English.] SSA closed the survey on September 29, 2020, SSA received a total of 193 responses: 171 in English, 17 in Chinese, two in Spanish, two in Vietnamese, and one in Tagalog, resulting in a 59% response rate.

Quotes from survey comments

"This program has been a blessing for me. It has worked out just right once I identified the right meals/restaurants for me."

"The staff does an incredible job. Always super friendly, very caring. I always look forward to their call. My only ding, I wish there were additional variety of restaurants."

"I love this program. It has kept me safe and out of the grocery stores. Very grateful...thank you!"

"I hope that I could have different dishes weekly. I really appreciate Great Plates Program. Thank you so much!"

"Overall I have been very thankful for the food program. I'm eating well and I don't have to cook myself, which is hard for me. Thank you Governor Newsom, Alameda County, GoGo and the restaurants who have served us."

Permission to share from Alameda County Social Services Agency - Office of Policy, Evaluation, Planning (OPEC).

Item 2. Great Plates Delivered Administrator Survey Questions

Instructions for participants:
This survey was created for city and county administrators of the Great Plates Delivered Program. This survey was created by Sakeenah Shabazz, Graduate Policy Assistant, at the Berkeley Food Institute at the University of California, Berkeley. Your completion of this survey is voluntary and your responses will be used by the Berkeley Food Institute towards the completion of a report assessing the Great Plates Delivered Program.

The survey should take approximately 15-30 minutes to complete.

Glossary of shortened terms are below.

BFI: Berkeley Food Institute
CalOES: California Governor’s Office of Emergency Services
GPD: Great Plates Delivered Program

Respondents were asked to include the name of their agency and their job title. First and last names of respondents were not collected.

Results:
We received responses from 21 out 40 (52% response rate)
There were two submissions from San Benito County due to a change in program administration (both agencies are listed) so charts below report 22 responses.
